RCA WORK PROJECTS – FALL & WINTER

RCA is planning two work projects this conference year and you are invited to join in the fun as we fellowship, worship, work & eat together. Please contact Marty Murdock (murdocksky@aol.com; 530-355-6226) or Madi Elsea (madielsea@aol.com; 661-549-2391) for more information and to sign-up.

LODESTAR - OCTOBER 19-23, 2025

We look forward to partnering again with the Conference Claimants' Endowment Board, working together to continue needed upkeep of Lodestar Campground, our conference's camping and retreat site in the Sierra foothills near Jackson. Fall is beautiful in the foothills and the weather will be mild--great for painting and outdoor activity!

The week begins on Sunday evening, Oct. 19th, with dinner and worship and will conclude with lunch on Thursday Oct. 23rd. Accommodations are at I-House and includes single rooms (depending on group size). Evenings are highlighted by worship led by group members and lots of singing.

Cost? No cost except your transportation.

ALTADENA/PACIFIC PALISADES

We are hoping for a week at one of the burn sites in southern California, doing smoke mitigation or new building projects. Hope Crisis Recovery Network, which RCA has worked with in past years at Paradise and Lower Lake, is actively involved in the fire recovery effort but still working through housing arrangements for out of area volunteer groups. We hope to have a date for a week sometime in February 2026 and will send out an email as soon as arrangements are made.

Let Marty or Madi know if you are interested in being a part of either or both of these mission outreaches!

Find the RCA on Facebook (search for Retired Clergy Association) and answer the questions!

Camp Lodestar Gets a Loving Makeover Before Bishop's Big Weekend

Nestled in the Sierra foothills, Camp Lodestar is a sacred place where countless memories have been made under the canopy of its towering cedars and pines. During the pandemic, deferred maintenance accrued, and it was in need of a little TLC to bring it back to its former glory. Thanks to two recent Volunteers in Mission (VIM) trips consisting of a joyful crew from The Endowment Board and the Retired Clergy Association (RCA), it's regaining its sparkle—just in time for the Bishop's upcoming Confirmation Retreat. In the true spirit of service, the team armed themselves with paintbrushes, rakes, and toolboxes to breathe fresh life into the camp. From clearing pine needles from structures, repairing a stage, jack hammering old concrete, cleaning up the fire pit and sanding the benches for those beloved late-night stories and s'mores, no task was too big or too small. Every corner of the enchanting property got a dose of care and attention.

In addition to the maintenance projects, several members of The Endowment Board arrived a week earlier to tackle water well repairs. Their behind-the-scenes work increased necessary water pressure, ensuring the camp is fully ready to welcome its current and future guests. Camp Lodestar has long been a place of spiritual growth without the trappings and distractions of home. With the recent restoration efforts, it's ready to host not just the confirmation retreat, but also youth groups, church retreats, and conferences for years to come. One such upcoming event scheduled for July 13th-19th is the CA-NV children's camp. If you have a 3rd-12th grader who would like to connect with God in the peace and tranquility Camp Lodestar is known for, you can register them here: <https://>

cnumc.campbrainregistration.com/.

As you plan future events, consider holding them at Lodestar. It's more than a venue—it's holy ground, made even more beautiful by the hands and hearts of our CA-NV community. If you would like to inquire about Camp Lodestar availability, please visit their website: <https://www.uccr.org/camp-lodestar>.

by Sue Angove

ANGOVE, JERRY and SUE are happy to be living again in Roseville where Jerry is expanding his N Scale model railroad with two new 4' shelves. Our new address is 7572 Locomotive Lane, Roseville 95747-8355. What an appropriate address for us to live on being that Jerry is a train buff. WE drove to Palm Desert and Tahoe to celebrate Jerry's birthday in May and early June. Jerry is seeing several doctors for treatment of two to three skin cancers. Please pray for numerous colleagues and spouses who are suffering serious health issues.

CATTERALL, CAROLEE has been focusing on the Relational Care Team of RCA offering assistance and support. Teams of retired RCA members are volunteering. We hope others of you will also volunteer to make these important contacts/calls. This IS an important way to connect and stay in touch. If you would like to discuss this more, please contact one of these Connectional Care Team personnel at the bottom of this article. There are diverse numbers of Retired Clergy and Spouses in our Conference as well as those outside our Conference borders. We want to make contact with as many of our members as possible. With thanks to our Endowment Board for blessing RCA with several opportunities offered to our membership. Thank you to those who have volunteered. We hope others of you will also volunteer to make these important contacts/calls. This IS an important way to connect and stay in touch. If you would like to discuss this more, please contact one of these Connectional Care Team personnel: Carolee Catterall (530-635-4580), Kathryn Dunning (707-599-2295), or Marty Murdock (530-355-6226).

CALDWELL, LINDA has moved to Davis, now living at the University Retirement Community of Davis, 1515 Shasta Drive, # 3212, Davis 95616

CORSON, JANE, widow of Jim Corson has moved to Citrus Heights where she now lives in her own home on her son's property. She is happy to be living so close to family. Reach her with a mailed card or phone call @ 6820 Kittery Avenue, Citrus Heights 95621-4118, phone @ 916-554-5467.

ERNST, BARBARA whose husband Dick was remembered during our recent Memorial Service at Annual Conference wishes to thank all who have offered concern and support to her and family in the last six months. She is VERY GRATEFUL.

EXTRUM-FERNANDEZ, RENAE and PAUL are celebrating the birth of their fourth and newest grandchild born in May five weeks early. He is home now after spending time in the NICU. Emilio Rey Stone is being well cared for by mother Elana and family in Walnut Creek and Nana Renae. Prayers please for their entire family. While traveling the Camino de Santiago in Spain a few years back, Paul and Renae met a wonderful couple from Denmark who have visited them here in California not too long ago. Renae and Paul are excited as they get ready for their trip to Denmark in the fall to visit these friends.

FADO, DON and JEAN have moved into "the Park" Senior Independent Living Residence @ 9670 Laguna Springs Dr.#111, Elk Grove 95757-6506. Since the writing of this article, Don has transitioned to the life eternal on

GREEN, LOTHAI and JOYCE spent three weeks in Maui from Valentine's Day until Ash Wednesday. One week was spent with our son, daughter-in-law, and two grandsons at Kaanapali and two weeks alone in Kihei. We visited old friends from having lived there. We are visited the Lahaina UMC now meeting

in the Congregational Church. Lahaina has opened up here after a year of clean-up but you can still see the devastation. Some rebuilding is taking place, largely single homes. We also drove by the Lahaina UMC taking pictures of what remains. You may view the pictures on my Facebook page, Lothair Green. You will also see pictures of their worship service and the Tongan choir. Tourism remains strong but many locals are suffering. Joyce and Lothair currently ask you to locate the webpage for the Lahaina UMC church with serving pastor, John Crewe. Check his blog page too. Keep them all in your prayers.

GRUNDMAN, DEB and GARY are currently watching the Tour de France rooting for rider Neilson Powless from Roseville who is doing well in the race. The Grundmans are enjoying the gift of retirement especially being able to travel. Cruising is high on the list. In 2024-2025 they have been to the Caribbean, Hawaii, and French Polynesia where they have snorkeled and seen beautiful people. Later this summer they will check out the Galapagos Islands to view God's creatures in this unique part of our world. The Grundmans pray God's blessings be with each and all of our RCA members.

KELLY, LINDA texts she has just arrived in Cincinnati to attend the retreat with the UM Fellowship of Spiritual Directors where I am on the board. At the end of July I will be on a tour of Glacier National Park with Road Scholar. Thanks to all who have been praying for her. I still enjoy my part time work with Loaves and Fishes. I downsized to a small one bedroom apartment which I am still trying to declutter.

MURDOCK, MARTY and CHERYL are very grateful to God for seeing Cheryl through surgery and the healing process going well. During July, Marty, Cheryl and their family spent time @ Monte Toyon for Camp Journey Farthest Out church camp. Youngest grandson Mack just 13 months arrived with his parents from New York for the camp. Marty

and Cheryl are looking forward to their cruise from Bergen, Norway to London with stops along the way.

PEARSON, GINNIE and LARRY have celebrated their 60th wedding anniversary. Soon their family will enjoy Alaska with them on a cruise to celebrate the special occasion.

SCHLAGER, DAVE shared with excitement how much he enjoys being with his grandchildren. Fortunately for Dave, they all live close by. The three girls are 7,6, and 5. His grandson is 2. They live in Davis and close to his home in Sacramento... FANTASTIC! Does anyone ever wonder why we did not have the grandchildren BEFORE we had our Kids?

SCHWARZENTRAUB, BETSY and KEN have just driven home from visiting their grandson and his family with a second great grandson for Ken and Betsy. I told her she was not old enough to- be a great grandmother no matter what the babies choose to call her. Their granddaughter in Arizona also has a baby boy...WONDERFUL!

WATTERS-JULSING, KAY spent time on an Alaskan cruise with her 2 children and 2 grandchildren. It was the first cruise they shared together. The four of them had a great time. Kay came home and soon was called to North Carolina when her brother-in-law required emergency open-heart surgery. She is still there with her sister caring for him. Kay says it was so great that her sister called 911 when she did. Doctors told her his life was definitely in jeopardy had they waited any longer. God is SO GOOD all of the time and especially in this family emergency. We are thankful for Kay also being able to help. HALLELUJAH!!

I HAVE ENJOYED BEING THE IS-BEEN CORRESPONDENT FOR MANY YEARS. THANKS FOR YOUR CONTRIBUTIONS. NOW IT IS TIME FOR SOMEONE ELSE TO STEP INTO THIS POSITION.

ENDOWMENT BOARD

Endowment Board Answers Call to Help with Rising Healthcare Costs

On June 7th, The Endowment Board's Board of Trustees unanimously approved a \$200,000 increase to their annual grant to the Conference Board of Pensions, bringing their gift total to \$2,200,000. Rising healthcare costs in the United States pose a significant burden – a burden that the retired clergy and their spouses shouldn't have to bear. In keeping with The Endowment Board's mission to serve them as needs arise and evolve, they were honored to answer that call. In a time when other conferences are significantly reducing or eliminating benefits, the CA-NV Conference is expanding theirs and that is because of the work of The Endowment Board.

Norton LifeLock Benefit - Protect Yourself and Enroll Today!

In February, an email phishing scam was going around the Conference pretending to be both Bishop Sandra K. Olewine and various conference leaders. Unfortunately, this isn't a new problem, and something that only continues to get worse and more advanced by the day. As a CA-NV retiree or spouse, you can help protect yourself with The Endowment Board's Norton LifeLock identity and cyber theft protection benefit! It is completely free to you, and The Endowment Board is covering the cost in perpetuity. The benefit is one per household, unless both spouses are clergy. If you are interested in enrolling, please reach out to Jenny Copello at (209) 390-0989 or Jenny@endowbd.org. If you would like to learn more about the benefit, visit the "Resources" page on The Endowment Board's

website (<https://EndowmentBoard.org>) to watch previously recorded informational webinars.

Life Happens, but the Shepherd Fund is There to Help

If you are a retired clergyperson or a retired clergy spouse experiencing a financial challenge due to life's inevitable curveballs, you may qualify for funds available through The Endowment Board's Shepherd Fund. Examples of financial challenges include, but are not limited to natural disaster relief, funeral costs, respite care, extraordinary dental work, or unforeseen relocation costs to name a few.

Asking for help can be difficult for those who have chosen a life of service and selflessness, but the hope is that those who qualify will see the Fund as a blessing. The Fund is confidentially administered by the Conference Board of Pensions office. If you or someone you know is interested in accessing the Shepherd Fund, please reach out to the Conference Board of Pensions office for more information at 916-913-1049.

A special thanks to Endowment Board donors who helped grow the Shepherd Fund in fiscal year 2024-2025. Their support gave more retirees and spouses the opportunity to receive assistance than ever before.

Retired Clergy Connectional Care Team

In an effort to make sure every Retired Clergy Member of the California Nevada Annual Conference and their spouses and surviving spouses who want to remain in connection are indeed connected the Retired Clergy Association began a new ministry in the spring of 2025 called the *Connectional Care Team*. Volunteer members of this team were given lists of several members of the RCA usually within a certain geographic area to begin making regular contact with in April and May.

Some of you may have received a call from one of the *Connectional Care Team* volunteers, and some of you may be volunteers making calls. Those making calls have reported that they have enjoyed connecting with colleagues and spouses – some they knew before and some they are just getting to know.

At the present time not all members of the RCA have a volunteer assigned to them. We need more volunteers! If this ministry of connection is something you might be interested in, please read the guidelines on the other side of this paper and contact Kathryn Dunning who can answer your questions and give you an assignment. We are especially in need of folks willing to be in contact with members of the RCA who live beyond the boundaries of our conference.

Message from your Executive Director....

Just a quick note with some reminders.....

Please remember the RCA when you move, change your phone number, or change your email address! It's the only way we can be sure we get the CORRECT information and keep our database up to date!

I will be on vacation September 15-29, 2025. My husband, Norm, and I will be cruising to Alaska! "But Nancy, haven't you cruised to Alaska before?" Yes. Yes we have and we probably will again! This time we will be sailing out of Seattle so we will spend some time with my cousin that I don't get to see very often (she used to babysit my sister and me!) AND we will be on Cunard's Queen Mary so that will be a new experience. Also, we are really just into having someone make our bed and cook our food and bring us time appropriate beverages!

If you need something urgently, please contact Barbara Horikoshi-Firebaugh. Otherwise, send an email and I will get back to you as soon as I return!
